## **RUN CLEAN**

High pressure common rail injection, EGR, advanced diesel oxidation catalyst and diesel particulate filter combines with full electronic controls to optimize combustion, minimize fuel consumption and maximize performance in a compact package.

- Liquid-cooled engine allows for a smoother running, longer lasting saw with high productivity
- Strongest frame on the market
- Fits through a 36" wide door frame
- Quick-release blade shaft/flange and rear wheels
- Less rear weight for easy maneuvering and reduced operator fatigue
