

# EXPERT 7000

## CUTTER RECOMMENDED

Thin blade for a faster cut that saves you time  
and labor costs on large jobs

Great for commercial and warehouse floors

Eliminates  
Joint  
Fillers!

Blade & Saw

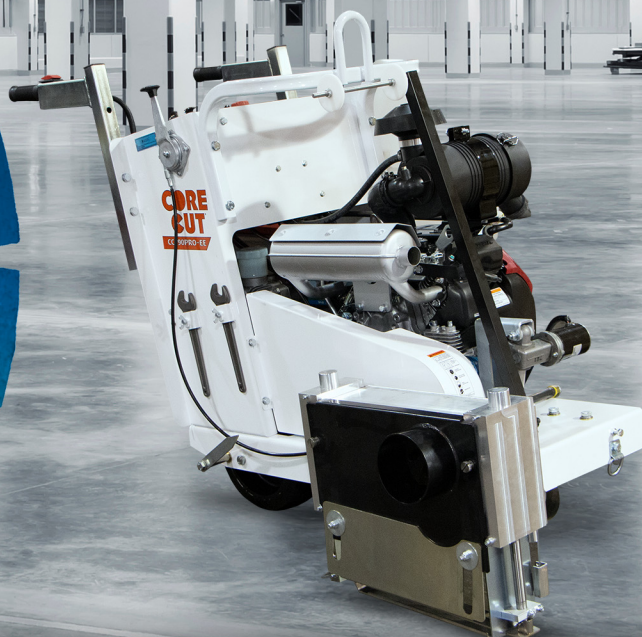

12"  
EXPERT 7000

TRUE EARLY ENTRY SYSTEM

CORE  
CUT

Use on the  
**CC190PRO-EE**  
or Competitor Saw

12" x .080" x 1" with triangle knockout  
Catalog # - 107589 with skid plate  
- 108302 blade only

- ♦ Very hard bond for green concrete soft aggregate
- ♦ Smaller width in new contraction joints saves from buying joint fillers
